

Beautiful Roses (Flowers) For You

See I have brought you a gift of some blossoms
Tender and fair and all gleaming with dew
Take them and keep them, these flowers of the summer
Wonderful, beautiful, roses (*flowers) for you

Life before you, but a garden of sunshine
Clouds never darken, your skies all be blue
God give you happiness, love and His blessing
There should be beautiful roses (flowers) for you

Beautiful roses (flowers) for you

*flowers ... alternate word to roses
